NL 9669302-96 - ROCKET.

1st National Ace Pigeon All Holland - Old Birds
N.P.O. 1999

Rocket should have been the only 1st National Ace All Holland to win back to back years if he had been entered in the competition in 1998. He had the most points two years in a row in national competition. The Rocket's family is the old Tournier bloodline. The fancier who raced the Rocket raced only 14 males in short, middle and one day long distance races. Four full brothers and five direct sons of the Rocket were all 1st prize winners.

The Rocket won 1st prizes at short, middle and also long distance races against thousands of birds winning 4 years in a row. He is a true champion racer and a proven breeder of winners.

GFL 371-2017 - RED MONKEY. 1st Place Victoria Falls One Loft Race Final Race winner vs 1128 birds. Winning \$200,000 USD. Sire : son of AVIATOR with MONA LISA. Dam: Full sister to MIKE HAS A VERY GOOD ONE - top racer in the SAMDPR Races, winning \$100,000 USD. The final race at the Victoria Falls Challenge is very difficult when flown in January due to the extreme heat. More than 90 degrees with high humidity at the loft and over 110 degrees during the race course.

Belg 3181936-09 - WOLVERINE. Is this a super bird? Yes. Has he bred winners? Yes. Is he a top one day long distance flier? Yes. A half brother to WOLVERINE won 1st Sun City Million Dollar Final Race. Does that tell you how good the WOLVERINE is. I hope so. The WOLVERINE is bred by my good friend Filip Norman from Belgium, one of the top long distance lofts for over 50 years. This ZORRO family has really been special for many top fanciers around the world, like Gaby Vandenebee, R & X Verstraete, Chris Hebberecht. Most of the top long distance fanciers of Belgium have the ZORRO bloodline in their loft.
